**LANDERS SISTERS** Theirs is a relationship of sibling revelry, as befits TV's sexiest sister act. Between them, Judy and Audrey (left to right) have probably spent more time *on* the tube than the average viewer spends *in front of* it. Audrey, or Afton Cooper to *Dallas* fans, started on Merv Griffin at age 12. She's been in *The Secret Storm*, zillions of commercials, *Happy Days*, *Fantasy Island*, etc., etc. Judy has been in *B.J. and the Bear*, *Madame's Place*, dozens of series and made-for-TV movies. Whew! They could form their own network.

**HEATHER THOMAS** She stars in ABC's *The Fall Guy* with Lee Majors. As Jody, knockout assistant to a bounty hunter, she helps track down jailbirds who have jumped bail. Her posters are also very popular. How could anyone resist falling for Heather?

**LYDIA CORNELL** In her role as a cartoonist's daughter (daddy is Ted Knight) in ABC's *Too Close for Comfort*, she elevates comedy to a fine art. Beautiful, talented ladies like Lydia make television's sitcoms a durable and endurable programming format.

**THE PLAYMATES ACT** Lee Horsley, star of ABC's *Matt Houston*, was literally surrounded by Playmates during one episode this past season. The bikini brigade included (clockwise from left) Barbara Edwards (Miss September 1983 and 1984 Playmate of the Year), Heidi Sorenson (Miss July 1981), Dona Speir (Miss March 1984), Marianne Gravatte (Miss October 1982 and 1983 Playmate of the Year), Kymberly Herrin (Miss March 1981), Tricia Lange (Miss June 1984) and Veronica Gamba (Miss November 1983).

**THE PLAYMATES SING** What began a few years ago as a bit of spontaneous harmonizing between two musically inclined Playmates has evolved into a professional act with a wide-ranging repertoire. One holiday season, The Playmates starred as carolers on the NBC-TV *George Burns' Early, Early, Early Christmas Special*. Teamed up were (left to right) Kelly Tough (Miss October 1981), Heidi Sorenson (Miss July 1981), Michele Drake (Miss May 1979), Anne Randall (Miss May 1967) and Sondra Theodore (Miss July 1977).

**CARSON'S CENTERFOLDS** Johnny Carson invited The Playmates singing group to NBC's *Tonight Show* to welcome the new year with their special brand of holiday cheer. Keeping winter's cold drafts from Johnny's back were (clockwise from left) Playmates Michele Drake, Nicki Thomas, Heidi Sorenson and Sondra Theodore. Appearing here as you won't see them on network TV are Heidi (far left), Nicki (below) and, on the following spread, a knockout Kelly Tough.
